Get Started

Your work, everywhere you are

Access your notes from your computer, phone or tablet by synchronising with various services, including whitepace, Dropbox and OneDrive. The app is available on Windows, macOS, Linux, Android and iOS. A terminal app is also available!

Try Taskey →

100% your data

The app is open source and your notes are saved to an open format, so you'll always have access to them. Uses End-To-End Encryption (E2EE) to secure your notes and ensure no-one but yourself can access them.
